

This is with reference to A&N Admin., order dated 23/09/2021 regarding compulsory testing of incoming passengers who are not fully vaccinated or have not completed 15 days prior to their vaccination.

In this regard, you are requested to direct the concerned to notify in the Tourism website that the inbound travellers travelling to these islands needs to spend one day in Hotel/ home quarantine as per their bookings till the arrival of RTPCR report and not to plan any visit out of Port Blair till the. It's usually takes a day for report therefore they can stay one day in Port Blair before proceeding to inter island sector.
